There are three ways you can get involved with the **North & East Yorkshire Group of Endurance GB**:

Non-member Come along to a pleasure ride as a non-member. Non-members are welcome at all group and national

pleasure rides and social events. Non-members pay an increased premium to cover insurance for the day.

Associate members Riders can join their local group as an Associate Member. Associate Members benefit from reduced ride entry rates at local group pleasure rides. Associate Membership is a good route into endurance for those keen to attend more than a couple of rides during the season.

Full membership Endurance GB membership automatically gives you membership of your local regional group. Each horse is given its own log book to record and track progress, enabling you to work up from Novice to Advanced level competitions.

Members are eligible for trophies at the end of each season, rider must help at a **North & East Yorkshire Group** ride. To join go to the EGB website www.endurancegb.co.uk

Discover Endurance

Endurance riding in the UK is an ever growing equestrian sport catering for all ages, abilities and types of horses.

Endurance riding through the national society 'Endurance GB' is divided into three types of rides:

PRs (Pleasure Rides) or **TR's (Training Rides)** – these can range in distance from a 10 km class to around 32 km rides. At national level rides where there is a pleasure ride, horses must trot up before a vet at the start of the ride and also on completion.

Pleasure Rides are to be completed ideally between 8km/hr and no more than 12km/hr and are easily achieved by all riders. Pleasure rides are run by regional groups of Endurance GB and open to all.

These events can also include fun activities such as treasure hunts, fancy dress, pairs and team classes.

GER's (Graded Endurance Rides)

– these add an element of competition to your ride, as well as the opportunity to ride longer distances. GER's range from 20km all the way upto 160 km, however they are divided into three steps:

Novice, Open and Advanced. All horses must pass a vet as well as a heart rate check. On longer distances riders must complete a series of loops and rest periods. Grade Points are awarded depending on speed and heart rate.

ER's (Endurance Rides)

– considered the top level of endurance competition, ER's are long distance race rides, where all riders set off together and aim to complete in the fastest time, ER's are usually between 80km and 160km in length and include a number of rest 'holds'.
